SPIRITUALITY. JUSTICE. MUSIC. ARTS.

The **wild goose festival** is gathering at the intersection of spirituality, justice, music & the arts. We bring together a diverse community of people who strive to live as Jesus lived.

2015 Festival Theme: Blessed are the Peacemakers

From Ferguson to Pakistan, 2014 was a year full of angst and strife around the world and in our communities. This year the Wild Goose Festival will strive to reaffirm our place in the world as **people of peace**. The festival will cover a wide range of topics but the focus of our being together will be on bringing peace to the world.
